**Re-Cap of Tree Lighting:**

Having no Poloroids was fine.

The choral group was a hit and Toby will invite them for next year.

Next year: We will try to get microphones for the choral group &  
We will make sure the path on the island is salted.

Someone is going to make sure the tree lights and stand are put in village storage and not to DPW. I forget who said they would do that.

**Winterfest 2010**

Amy will be in contact with Village Desserts to ask for a donation of cookies. She will also ask Lisa if she would be willing to let us purchase cookie/hot chocolate certificates for prizes.

Tiff will call Linda in the Clerk's Office to ask her to contact the DPW and request a port-a-potty and orange cones.

Brian will make sure there will be wood for the wood-burning stove thingy.

Vic will contact the Bee for advertising.

Tiff and Robin are working hard on the snow sculpture contest arrangements and will also take care of shopping.

Bill D. is all set.

Snowshoe guy is all set.

Set up will begin Sunday, Feb. 7th at 11am at the fire hall.

**2<sup>nd</sup> Annual Village Street Hockey Tournament**

This year's event is Saturday, May 29<sup>th</sup> with registration beginning at 9am. No major changes will be made in the format or venue. More hockey balls will be provided, more experienced refs staffed, lined garbage cans will be plentiful and the boundary garbage bins will be sealed.

Robin will check the date with Morey to make sure he will be available. I think it's safe to say that this event would not be the same without him.

We discussed possible ways to get our own equipment.

Joann and Kim... We miss you! Hope to see you in January!
